

Mickley Infant and Nursery school

have been awarded Sun Safe Schools Status for implementing the Sun Safe Schools Policy by:

- Providing all pupils with appropriate sun protective hats
- Providing all pupils with access to an SPF 30+, broad-spectrum, high quality UVA protective sunscreen
- Ensuring all teachers and staff act as Sun Safe role models
- Ensuring all pupils are educated annually on safety.

We recognise that together we have a duty of care to ensure that our children grow up with sufficient knowledge of sun safety and that our pupils are adequately protected against the sun's harmful rays whilst in our care.

13th June 2016 - 13th June 2017
